

Word for Life Says

Journal Page

"I am a lifter.

I am an encourager.

I am a builder of my brother.

I am a minister of my sister.

I am an agent of hope to the downtrodden speaking words of inspiration about His freedom.

I am a promoter of grace, sharing words of deliverance to my war-worn sibling of the spirit.

I am a supporter of peace who chooses to use the mouth and the words God gives me to speak light, life, and love." (© "I am a lifter.../WordforLifeSays.com)

If you were to add additional words promoting the idea of being a lifter or an agent of hope, what would you write?
